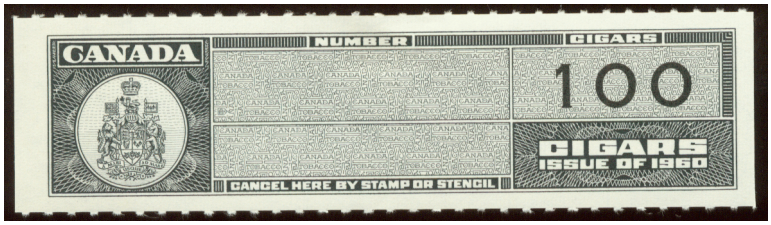
The catalogue lists the ***control-free*** one hundred cigar "Series of 1960" black strip ***without control numbering*** as follows:

RG-715 - 100 cigars, black, coarse roulette, on composite mesh wove - without control numbers

---



★**RG-715** - 100 cigars, black, *coarse roulette*, with ***BLACK denomination figures***, without control numbers,

These copies of the one hundred cigar "Series of 1960" were issued around 1965 for use *without control numbering*. These *late-usage* copies are printed on medium weight crisp wove paper, with a *linear composite* mesh - almost with *modern laid paper* lines, but not nearly as dramatic as the laid paper of the 1860's. It doesn't seem to matter how one holds the stamp - the mesh appears to be *horizontal* when held in one direction, and *vertical* when held in the opposite direction.

★**RG-715** - 100 cigars, black, *coarse roulette*, with ***black denomination figures***, without control numbers,
[these stamps ***do not*** have a *vertical roulette* - scanned at 80% scale]
